Message from the Club President Chen Kwong Fatt - Senior General Manager Amsteel Klang

Dear Club Members

The Lion Group (Steel Division) Sports and Recreation Club has again successfully published its third issue of the Steel Division Sports & Recreation Year Book for 2012.

We have successfully organized games such as *Paintball, Futsal, Netball, Badminton, Bowling, Football* as well as recreation activities such as *Treasure Hunt, Day Trip* and also an *Overseas Trip to Hatyai, Thailand in 2012* for members. We have seen a cross section of players from both inter and intra companies under the Lion Group (Steel Division) participated in all the events with high level of sportsmanship and team spirit.

This year, we can also see a significant increase in sports club membership i.e. from 85.7% to 94.2% with 5 companies achieved 100% membership. The increase number tells the attractive events, good communications and support of each participating companies.

- Our Group Chairman & CEO, Tan Sri William Cheng for his great support;
- All our Committee Members and Company Representatives (both Central & Banting Operations) for their continuing dedication and commitment;
- Heads of Company, Heads of Department, Managers, Section Head,
